Mr. Harold M. Botkin
Assistant Director of Telecommunications
Office of Defense Mobilization
Washington 25, D. C.

Dear Mr. Botkin:

This is in reply to your letter to Mr. Dulles, dated 3 June 1955, reference the status of our CONELRAD Plan.

The CIA's accepted CONELRAD Plan was reviewed by Mr. J. H. Eichel, FCC, and Major S. J. Maffei, Headquarters 26th Air Defense Command, Roslyn, New York. All provisions were found complete and satisfactory. The effective date is 10 July 1955.

I have informed all other Air Defense Commands concerned that CIA does not conduct radio operations within their area jurisdiction. No changes are therefore necessary at this time.

Sincerely,

Director of Communications
